Helen Betty Osborne Ininiw Education Resource Center Principal's Message

This year is the 50th annual Frontier Games Divisional Championship. It is with honor and excitement that Norway House, once again, hosts the Divisional Championships. We know that you have worked extremely hard over the past few months to win the right to represent your area in these games. We hope that all of you have an enjoyable experience in our community and schools. Most of you have traveled a far distance to be here; if there is anything we can help you with please let us know.

The Frontier Games continue to be a great opportunity for athletes, coaches and chaperones alike to get reacquainted with old friends and to make new ones. It is an opportunity for all athletes to build character as they win or lose gracefully in their respective sports.

Hosting an event for approximately 350 participants requires commitment from many people. I would like to acknowledge the incredible work and dedication that our Frontier Games Committee has put into the planning of this year's Divisional Championship.

I would also like to thank the FSD Board of Trustees whose support makes these games for our young athletes possible every year.

I hope you all have a wonderful three days of competition and take away great memories!

On behalf of the staff and students of HBOIERC I welcome you to our school and community.

Mr. Tootosis
Principal HBOIERC

Jack River School Principal's Message

On behalf of our Wolfpack Family at Jack River School, I am honoured and excited to be welcoming you to the 50th Annual Frontier Games. This event is an incredible opportunity for students to showcase their athletic skills, while meeting new friends and reconnecting within the Frontier Family. I hope that the Seven Teachings will help to guide you during your time here in Norway House, and in the future.

- The **Courage** to try your best, to try new things, and to meet new friends.
- The **Respect** for yourself, for others, for our schools and our community.
- The **Humility** to practice both winning and losing in a good way.
- The **Love** through which to build lifelong friendships.
- The **Honesty** with which to play fair and practice good sportsmanship.
- The **Wisdom** to know that not all can win, but that all are winners.
- The **Truth** in knowing that we are all incredibly proud of each of you and wish you well in the sporting events and in everything else you do!

A huge Wolfpack shout-out to the athletes, coaches, chaperones, organizers, kitchen staff, volunteers, bus drivers, facilities team, FSD Board of Trustees and everyone else who has helped to make this event possible.

Welcome and best wishes!

Ms. Tammy Brant
Principal, Jack River School
